

Love and Logic Early Childhood: Parenting Made Fun

For parents with children ages 0-6

Raising children from birth to adulthood is a remarkable undertaking, especially considering that infants do not come with operating instructions. This class is designed specifically for parents of young children, birth through six years. Join us and learn effective ways to establish a positive discipline foundation in your home. Common behavior issues will be addressed such as; arguing and whining, bedtime, picky eater and getting your child to listen the first time.
