

Positive Discipline Strategies for Young Children

For parents with children ages 0-6

Raising children from birth to adulthood is a remarkable undertaking, especially considering that infants do not come with operating instructions. This class is designed specifically for parents of young children, birth through six years. Join us for a brief overview of the well-known parenting program *Love and Logic*. To learn more *Love and Logic* techniques and philosophies sign up for the full 5-week *Love and Logic* course offered later in the month.
